Applicant/Patentee: FRANCIS A. L'ESPERANCE, JR.

U. S. Patent No.: 4,718,418

Issued: January 12, 1988

Filed: October 8, 1986

Serial No.: 916,646

For: APPARATUS FOR OPHTHALMOLOGICAL SURGERY

New York, New York 10165
July 9, 1990

CORRECTION OF PREVIOUS FEES SUBMITTED TO THE UNITED STATES
PATENT AND TRADEMARK OFFICE MISTAKENLY PAID AS A SMALL ENTITY

The Commissioner of Patents and Trademarks
Washington, D. C. 20231

Sir:

With regard to the above-identified Patent No. 4,718,418, it should be noted for the record that applicant's undersigned attorney was recently advised that the status of this case changed on April 21, 1987 from that of "small-entity" to "large-entity", which heretofore had been mistakenly taken to be the fact.

In the circumstances and to bring the record up-to-date, a fraction of the fees paid during the prosecution of the above-identified patent is accounted for below. The resultant balance of fees due the United States Patent and Trademark Office is enclosed at this time, namely:

Description of Fee	Date Paid	Amount Paid	Amount Due
Additional Claims	06/29/87	527.00	527.00
Issue Fee	10/01/87	280.00	280.00

refund
318.00

With the enclosed check in the amount of \$807.00, it is believed that a correct representation of large-entity fees has now been accounted for and made of record.

If, on the other hand, it is deemed that additional fees are applicable, authorization is given to charge our firm Deposit Account No. 08-2776, as appropriate.

Respectfully submitted,

Encl.
